July 31, 2022

Dear CWLA Families,

Greetings everyone! We hope you are all enjoying summer.

We are three weeks away from the first day of school! In this week's updates are important school information. **Please make sure to scroll down and read each section.** Here are a few important reminders:

After School Care

We are excited to partner with Right At School after school program! Watch this [PRERECORDED PARENT FORUM VIDEO](#) that has information on who and what Right At School is. Please note that registration for our after school program Right At School is now open. Click [HERE](#) to register online. Financial assistance is also available for those who qualify. For more information or questions, please email Area Manager Chantial Sims via email at chantial.sims@rightatschool.com or by calling 224-933-4937.

Bus Transportation

Please make sure that you have submitted your bus application for SY22-23. Click on this [CPS Transportation Services website](#) for more information. The forms can be found below:

- Application for Transportation Service [[ENGLISH](#) | [SPANISH](#)]
- Chicago Park District - Park Kids Program [[ENGLISH](#) | [SPANISH](#)]

Note that the Chicago Board of Education approved a policy that prioritizes the transportation needs of children with diverse learning needs and students in temporary living situations given the national shortage of bus drivers. There are two mitigation strategies being put in place:

1. Families of diverse learners or students in temporary living situations who would like an alternative to District-provided transportation may apply for \$500 per month in financial aid from CPS. These funds were introduced last school year and are designed to support families in finding alternative transportation for their students. Families have been requested to complete [this form](#) (in English) or [this form](#) (in Spanish) to apply for aid.
2. Families of GenEd students eligible for transportation will be able to apply for CTA cards for the students - the cards will be free. Additional details

will be shared next week.

CPS Health Requirements

In Illinois, certain students must receive a physical exam and immunizations. Find details about these requirements in the Minimum Health Requirements [[ENGLISH](#) | [SPANISH](#)].

Families must show proof of required physical exams and immunizations or they will face exclusion from school per the *Student Health Examinations, Immunizations, Dental Examinations, and Eye Examinations Policy*. Volunteer

We look forward to welcoming back our parent volunteers this coming school year. Per CPS, it is important that ALL adults who plan to volunteer for any school events or working with students complete the [CPS Volunteer Application](#) and clear the CPS background check process. Anyone who does not complete the process will not be allowed to volunteer. Please note the following protocol:

- All Level 1 school volunteers (working with student one on one basis or volunteer more than 5 hours) must complete a volunteer application through the CPS

FACE2website [Volunteer Link](#) and must pass a CPS background check and TB exam before working with students.

- All Level 2 school volunteers (all other volunteers who are not level 1) must also complete a volunteer application through the CPS FACE2website [Volunteer Link](#) and must pass a CPS background check.
- If you already completed your volunteer application, please email Ms. Burger pburger@cps.edu a copy of your photo ID.
- Volunteers must receive an approval notice prior to volunteering in the school. When a volunteer completes the approval process, the volunteer and the Volunteer Coordinator will receive an affirmative notice in writing.
